On motion of Mr. Florio, seconded by Ms. Delisfort, and carried, the Township Committee moved the adoption of **Resolution No. 2016-244:**

WHEREAS, in 1991, the New Jersey Supreme Court confirmed, in South Jersey Pub. Co., Inc. v NJ Expressway Auth., 124, NJ478, 491-492, that Governmental secrecy shrouds corruption and engenders public distrust in government and its officials. Whether dishonesty does, or does not, exist is irrelevant. The important factor is that "secrecy" creates a belief that it exists which, if extensive enough, could destroy needed public support for government action. \*\*\* The sole method of combating these notions is to demonstrate their falsity by opening the doors of government so that the

truth may be viewed by all.

Quoting Kugler, New Jersey's Right to Know: A Report on Open Government 175 (1974)

WHEREAS, while the Township Committee is neither corrupt nor dishonest, it agrees with the Supreme Court that the Township's doors should be opened as widely as possible so that the public can satisfy itself that the Township is being run in an honest and efficient manner. It is therefore

RESOLVED, that effective immediately, whenever the Township Committee excludes the public from its meetings, in accordance with N.J.S.A. 10:4-12b, it shall make public versions of the minutes of those closed meetings, redacted only to the extent necessary to protect the public interest, available to the public no later than three weeks thereafter, and it is further

RESOLVED, that for each element redacted, the public version of the closed meeting minutes shall include a statement setting forth, as specifically as possible, the reason for the redaction, and it is further

RESOLVED, that the Township Committee shall semiannually, in August and February, review the minutes of its closed meetings held since January 1, 2000 and determine whether and the extent to which the public versions of these minutes, due to the passage of time or intervening events, can be updated to disclose previously redacted material, the outcome of such reviews being recorded in the Township Committee's public meeting minutes, and it is further

RESOLVED, that these public versions, promptly updated as necessary, of closed meeting minutes shall be maintained in book form, along with the Township Committee's open session minutes, in the Clerk's office, where they shall be made available for inspection by any person, and it is further

RESOLVED, that this resolution be readopted every year by the Township Committee, and it is further

RESOLVED, that the Township Committee recommends the adoption of like resolutions by the Planning Board, Zoning Board of Adjustment and other "public bodies" of or within the Township of Union as that term is defined by N.J.S.A. 10:4-8.

On motion of Mr. Florio, seconded by Ms. Delisfort, and carried, the Township Committee moved the adoption of **Resolution No. 2016-245:**
